Presents

DIVERSIONARY DEVICE INSTRUCTOR'S COURSE

**Hosted by the
Yuma Police Department**

DESCRIPTION

This two day comprehensive course will develop students as agency instructors in the use of diversionary devices. It is only open to tactical team personnel designated by their agency as diversionary device instructors. Topics of instruction include history & physics of diversionary devices, types of devices, general characteristics, effects on the human body, pre-deployment concerns, criteria for use, proper deployment techniques, tactical considerations, liability concerns, rendering safe, reloading, documentation, instructional techniques and other related topics. Students will be required to prepare a short lesson plan and demonstrate the ability to instruct others within a classroom setting. Students will also have to pass a written test as well as demonstrate proficiency with their agency's approved diversionary devices.

LEAD INSTRUCTOR

R. K. Miller, Huntington Beach, (CA) Police Dept. 40 years law enforcement experience and over 25 years of tactical assignments including SWAT Team Leader. Certified as a diversionary device instructor by DEF-TEC, CTS, NTOA and Los Angeles Sheriff's Dept. In addition, R. K. has a wide range of experience in providing firearms and tactical training.

DATE: April 3-4, 2018 Class will start promptly at 0800 on first day.

LOCATION: Yuma Police Dept., 1500 S 1st Ave, Yuma, AZ 85364

TUITION: \$285.00 payable to: National Training Concepts, Inc. P.O. Box 5268 · Orange, CA 92863-5268 Federal Tax ID 57-1188596 Fax: 714 637-7523 (Tuition for current individual ATOA members \$265.00. REGISTRATION

This course is limited to students on a first come, first served basis. To make reservations, please contact R. K. Miller at 714 363-1569 or rkmiller@socal.rr.com. Please leave contact name, number and e-mail.

EQUIPMENT.

First Day: Casual clothing. Second Day: Tactical duty uniform, Nomex, (or similar heavy duty material) gloves, body armor/tactical vest with diversionary device pouches, ballistic helmet, duty boots, five (5) diversionary devices per student, two (2) training bangs per student, hearing protection, wrap-around eye protection, note taking material. Nomex flight suits (or other similar clothing) are suggested.

This certification is for three years as per BATF and manufacturer's requirements. Students are encouraged to maintain their skills and knowledge. To help accomplish this, it is N.T.C.'s policy that past students in good standing be allowed to attend future presentations within five years of the original attendance date at no additional tuition cost if the size of the class permits it.

Suggested Hotels: Upon request
