***DIVERSIONARY DEVICE  
INSTRUCTOR'S COURSE***  
**Hosted by the Anaheim Police Dept.**

**DESCRIPTION**

This two day comprehensive course will develop students as agency instructors in the use of diversionary devices. It is only open to tactical team personnel designated by their agency as diversionary device instructors. Topics of instruction include history & physics of diversionary devices, types of devices, general characteristics, effects on the human body, pre-deployment concerns, criteria for use, proper deployment techniques, tactical considerations, liability concerns, rendering safe, reloading, documentation, instructional techniques and other related topics. Students will be required to prepare a short lesson plan and demonstrate the ability to instruct others within a classroom setting. Students will also have to pass a written test as well as demonstrate proficiency with their agency's approved diversionary devices. **POST Control # 1076-21920-18002**
